PETITION TO PARTICIPATE

My name is Brandon Casci. I am the founder, sole owner and operator of LoudCity LLC, which is an Internet radio community. LoudCity functions as a non-subscription transmission service under a statutory license. As an entrepreneur currently exploring non-subscription based Internet radio transmissions, and LoudCity LLC's sole owner and operator, I am effected by the outcome of the proceedings.

There is substantial good cause to accept my filing in these proceedings, since I have a direct interest in the outcome of the proceedings. I can efficiently and effectively represent diverse interests before the Judges and encourage settlements where possible. Accordingly, I respectfully request the Judges to grant grant and acceptance of my petition to participate.
